

High-resolution electron energy loss spectroscopy

Author: James L. Erskine ^a

Affiliation: ^a Department of Physics, University of Texas, Austin, Texas

DOI: 10.1080/10408438708242181

Publication Frequency: 4 issues per year

Published in:  **Critical Reviews in Solid State and Materials Sciences**, Volume 13, Issue 4 1987 , pages 311 - 379

Subjects: Chemical Physics; Matter & Solid State Physics;

Formats available: PDF (English)
